

## Forgive Not Forget: The Role of Re-Irradiation

### Activity Information:

Day: June 30, 2020

Time: 12:00-1:00 pm

AMA PRA Category  
1 Credit™ Issued: 1.0

Location: Virtual Meeting/Zoom

**Moderator/Presenter(s):** SAGUS SAMPATH, MD Associate Professor, Department of Radiation Oncology, City of Hope

### Objectives:

- Identify toxicities associated with re-irradiation to the brain for recurrent brain metastases.
- Describe clinical outcomes and toxicities following repeat course of radiation for recurrent and second primary head/neck cancer.
- Outline dose parameters used to plan a course of re-irradiation for spinal metastases.
- Examine toxicities and efficacy for re-irradiation to the thorax.

### Educational Format:

This activity will be didactic with a Q & A period. This activity will be evaluated by each participant at the conclusion of the lecture.

### Target Audience:

The activity content is oriented to address the educational needs of physicians, nurses and all other allied health care professionals interested in the subject matter.

**Accreditation Statement:** City of Hope is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Credit Designation:** City of Hope designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Allied Health Care Professionals:** Registered nurses may report up to 1.0 credit hour toward the continuing education requirement for license renewal by their state Board of Registered Nurses (BRN). AMA PRA Category 1 Credit™ may be noted on the license renewal application in lieu of a BRN provider number. ◆ The National Commission on Certification of Physician Assistants states that AMA PRA Category 1 Credit™ accredited courses are acceptable for continuing medical education requirements for recertification.

### AMERICAN BOARD OF SURGERY (ABS) – MAINTENANCE OF CERTIFICATION

As a means of assisting our surgical colleagues with their American Board of Surgery – Maintenance of Certification, you will find a Self-Assessment on Goldenrod paper at the registration table outside the meeting room.

**Should you wish to claim Category 1 Credit from this activity as applicable toward the ABS MOC requirement, please complete the questionnaire and turn it in with your evaluation form.**

### Disclosure:

As an organization accredited by the ACCME City of Hope requires everyone who is in a position to control the content of an education activity to disclose prior to the activity all relevant financial relationships with any commercial interest. All disclosed relevant financial relationships will have been resolved prior to the commencement of the activity. We further require that prior to the activity faculty/presenter have disclosed their intention to discuss any off label and/or investigational (not yet approved for any purpose) use of pharmaceuticals or medical devices.

**Moderator/Presenter: Dr. Sampath has indicated that he does not have anything to disclose.**

During the course of this activity there may be report and/or discussion of unlabeled or unapproved uses of pharmaceuticals and/or medical devices. All such report and/or discussion are attested to be based on evidence that is generally accepted within the profession of medicine and conforms to the generally accepted standards of experimental design, data collection and analysis.

**Support: None**

In accordance with the Americans with Disabilities Act (ADA), please call the CME office at (626) 218-5622, should you require special assistance or need additional information regarding this activity.
